

Hack Like W@CC Project Submission Guide

It's finally that time! This guide serves as the recommendations and instructions for submitting your final Hack Like W@CC project. Your project will consist of a **2-5 minute video** explaining your project, your process, and why you believe it is successful.

Project Submission Logistics

- Submission Deadline: **12:00 PM ET on Friday, October 9, 2020**
- Where: <https://hack-like-wacc.devpost.com/>

Video Recommendations

- Talk about your decisions and processes of working on your project
- Showcase your final product, and any tools/skills you used
- Talk about features that you would implement if you were to continue working on the project after submission
- Talk about the entire experience of the product of using it from beginning to end
- Talk about how each teammate leveraged their own unique skills towards the project
- Be creative! Throw some fun stuff in there!

Judging Criteria - Tracks
